DID NOT START (DNS)

- It is the responsibility of the athlete or their team captain to officially communicate a DNS status to either the ISMF Jury President or his designated representative.
- This communication must occur as soon as the decision not to start is known and can be made verbally or in writing.
- If the bib has not yet been collected: the team captain must confirm at the TCM that the athlete/team will not start.
- If the bib has already been collected: the DNS must be communicated in person together with the return of the transponder.

ABANDONMENT OF AN ATHLETE

- An athlete having difficulties may give up on his/her own initiative or be forced to give up by decision of the LOC Race Director or one of the doctors present on site.
- Giving up (by own initiative or forced) must take place at a checkpoint or waypoint according to the procedure described during the TCM except under extreme circumstances. For team races, if one team member gives up then the other will be told to give up and must follow instructions given by the controllers.
- Every athlete having withdrawn **MUST** inform the ISMF Jury President (or his representative) upon arrival at the finish area. The athletes having withdrawn may also be subject to doping control.
